

FULTON CENTER
FOR REHABILITATION

Welcome to Fulton Center

where your road to recovery begins.

Here we treat you/your loved ones like they are part of the family.

Our goal is that you will heal and thrive at our facility which is run in accordance with the highest healthcare standards nationwide.

Here are some things you should know:

If you are COVID positive

You will remain in our COVID+ unit for the next 10 days.

You will be assessed and monitored for signs, symptoms or complications of COVID, etc. At the end of these 10 days, you will be moved to another section of our Center.

If you are going to the PUI unit

You will be tested on day 1, day 4, day 9 and day 14. During these 14 days, we'll monitor and assess you for COVID symptoms at each shift.

Your physician and/or nurse practitioner will be in within the first 24-72 hours to give you a full workup on your plan of care.

Discharge to other sections of our Center or to one of our other long-term care centers will be determined by your progress during these 2 weeks.

What to expect in the next few days

You can expect a call within the next few days to set up a post-admission meeting, where you'll meet your care team and discuss your recovery goals.

If you want to reach the Administrator

Contact Michael Ostrozynski MOstrozynski@FultonCenterRehab.com

If you want to reach the Director of Nursing

Contact Brittney Tucker BTucker@FultonCenterRehab.com

If you want a window visit or video chat

Contact Olga Fontaine OFontaine@FultonCenterRehab.com

Cellphone

Please bring a personal cellphone. This allows us to be compliant with infection control and not pass in-house phone from person to person.

Food Menu

Request our select menu or tell us which foods you like/dislike by emailing our Dietary Manager Stephanie Williams at fyp@hcsGOPs.com.
